SHEEP FIELD CLASSES (Taken from Saskatchewan Stockdog Association Website)

Novice Class: A novice handler is a handler that hasn't placed more than FIVE times in the top three of a novice handler class with any dog, or THREE times in the top half of a pro novice class. The placings apply to both field and arena trials combined (i.e. If a handler places in the top three in three arena trials and two field trials, they lose their novice handler status). If a novice handler enters an open class they forfeit their novice handler status and can no longer run in the novice handler class. The placings are on the handler, not the dog. Year-end award and payouts. Course requirements - @100 yard outrun. If a novice handler enters a trial which does NOT offer a Novice Handler Class, they will NOT lose their novice handler status. (i.e. Agribition)

Pro Novice Class: This class is for intermediate level dogs and handlers who have run open. Year-end awards and Payouts. Course requirements - @200 yard outrun, drive and cross drive.

ENTRY FORM
